

# Ultimate Laundry Convenience

This new technology delivers smarter laundry room experiences including telling you when machines are available and laundry cycles are complete.

## 1. Download & Register

Download the CSC GO™ mobile app on your iOS or Android device. Enter your email address and create a password.

## 2. Load & Select Cycle

Load laundry into washer/dryer and select cycle.

## 3. Scan & Press Start

Open the CSC GO™ app and scan the QR code located on the front of the machine and press start.

## WHAT'S IN IT FOR YOU?

- ✓ You can easily monitor machine progress and opt to receive a notification when a laundry cycle is complete.
- ✓ Check machine availability before visiting the laundry room at anytime from anywhere.
- ✓ Know when laundry rooms are less crowded.

Go to your laundry room and download the free CSC GO mobile app today!
